Keiser Celebrates First Graduating Class of 2008 *Valedictorian has overcome many obstacles to achieve her dreams*

Pembroke Pines, Florida—Jan. 11, 2008— Keiser University shares in the successes of another graduating class in Pembroke Pines. The commencement ceremony will take place Friday, January 11, at Signature Grand located at 6900 West State Road 84 in Davie at 7:00pm.

State Representative Martin Kiar (D-97) will serve as keynote speaker for the graduating class.

“At Keiser University, students initially start classes with hopes of good grades and planning for a new career path,” stated Neal Isaac, campus president. He finds that while at the university they expand their outlook into other areas. “At graduation, it is so exciting to see students that have excelled in their courses, have increased their participation levels in community caring projects, have started working in their chosen field and are proud to recommend their university to friends and family.”

“Keiser University has opened doors to me and given me professional relationships that will endure,” states Anne-Marie Goss Baker. Anne-Marie Goss Baker, who is receiving her Bachelors in Business Administration with a concentration in Human Resources, will be the valedictorian for this graduating class. Baker moved to the United States from Jamaica and has been working full-time as a billing clerk/coordinator with Community Network Nurse Registry in Plantation while taking classes at Keiser. Anne-Marie is also busy as a wife and a mother of an eight year old who is an honors student at Miramar Elementary School.

Keiser University, Florida’s leading private, statewide provider of career-focused, post-secondary education is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. Keiser University serves more than 12,000 students at its 13 campuses throughout the State of Florida and through the online division. In addition, Keiser University has international cooperative agreements in China and Moldova to serve international students.

Keiser University offers master’s, bachelor’s and associate degrees in high demand career fields meeting workforce and economic development needs in the communities we serve. In 2007, Keiser University was the nationwide leader in production of Associate of Science graduates in Health Professions and Related Sciences (Community College Week Analysis of US Department of Education Data Released July 8, 2007).
